- The right hand side of equation (10) should be multiplied by (-1). The correct equation is

$$\hat{I}(\boldsymbol{X};C) = H(C) - \hat{H}(C|\boldsymbol{X})$$

$$= -\sum_{k=1}^{c} p(c_k) \log p(c_k)$$

$$+ \frac{1}{N} \sum_{j=1}^{N} \sum_{k=1}^{c} \hat{p}(c_k|\boldsymbol{x}_j) \log \hat{p}(c_k|\boldsymbol{x}_j),$$
