

# Erratum

In Publication [II](#), the caption for Fig. 9 should read:

Rubidium  $D_2$  spectra for  $\pi$  or  $\sigma^+$  polarization obtained from Eq. (22) (black solid curves), from [16] (red dashed curves), and neglecting optical pumping, but including saturation (blue dotted curves). (a)  $I/I_s = 0.1$ ,  $R = 10$  mm, (b)  $I/I_s = 0.1$ ,  $R = 1$  mm, (c)  $I/I_s = 0.01$ ,  $R = 1$  mm.  $L = 50$  mm,  $T = 300$  K.
